# The Autism Programs Parent Home Training

## Families First Program

A FREE monthly workshop series for parents of young children with an Autism Spectrum Disorder (ASD)...in collaboration with TRIAD of the Vanderbilt Kennedy Center

Each 3 hour workshop focuses on providing parents and caregivers of young children with strategies to use at home, at school and in the community. The strategies discussed are based on the principles of Applied Behavior Analysis (ABA). Workshops will include an online presentation, activities, and discussion.

To learn more about the Families First Program, check: [triad.vumc.org/famfirst](http://triad.vumc.org/famfirst)

Program is free of charge.

Registration is required.

Please arrive between 7:30-7:45 a.m. for sign-in. All workshops will be held at the Center for Development and Disability, 2300 Menaul NE, Alb.
