

# Albuquerque Center for Hope & Recovery Employment Empowerment Workshop Series

Disabled job seekers are invited to attend a free workshop series teaching the skills needed to find employment through: Networking and the non-traditional job market, preparing resumes and cover letters, interviewing skills and techniques, online job applications, job fair preparation, and receive feedback from employers regarding their hiring process.

Participants will receive job search materials such as skills worksheets, a working resume & a generalized cover letter. Upon completion of the series, participants will receive incentives to prepare them for the Ticket to Work Job Fair on Tuesday October 8th, 2013. Space is limited. [Contact for specific locations.](#)
