ACRONYMS

ANE = Abuse, Neglect, Exploitation
AWMD = Assisting with Medication Delivery
CM/SC = Case Managers/Service Coordinators
DSP/DSS = Direct Support Professional/Direct Support Supervisors
KTH = Keys to Health
PST = Positive Supports Training
CST = Communication Supports Training
PCP = Person-Centered Planning

*** Potential trainers should take the course they are wanting to become certified to facilitate, 2 months prior to attending the Train-the-Trainer (TtT) of that course (CST, PST, AWMD, ISP etc)**

This will ensure you receive the most up to date information and that you will be able to easily recall how certified trainers teach the course.
