HCTT MOU 3/18
Vision:

The Hidalgo County Transition Team (HCTT) will provide smooth, effective and timely transitions that support children and families through community and family partnerships to ensure continuity of services in order to facilitate children achieving their potential.

The HCTT adheres to the following values:

- We value the development of advocacy skills in parents.
- We value the parental involvement before, during and after transition.
- We believe that the needs of the children and family are primary.
- We value the cultural diversity of all children and families.
- We believe that parents should be provided the opportunity to make informed choices.
- We believe that all children should be educated in their least restrictive environment.

I. PURPOSE

The purpose of this agreement is to facilitate the integration and coordination of services to children with special needs ages 3 to 5 in order to create a service system flexible enough to meet the needs of children within the available resources. The intent of the Hidalgo County Transition Team is to integrate the activities of education and developmental services to provide a continuum of services, which will meet the needs of all children with disabilities or those at risk for developmental delays. The team also wishes to provide empowerment and support families need to make informed decisions as their child transitions from one service system to another in accordance with State and Federal regulations.

III. REQUIREMENTS IMPACTING THIS AGREEMENT
Guidance for this document is taken from the following sources:
New Mexico Administrative Code (NMAC)
Individuals with Disabilities Education Act (IDEA) / Code of Federal Regulation, Ch. 34, (34CFR)
New Mexico Technical Evaluation and Assessment Manual (NM TEAM)

IV. WORKING PROCEDURES AND TIMELINES
This document will describe what action is to be taken and which agency is responsible. Timelines are also defined for completion of the actions. Each participating agency will receive a copy of the agreement.

V. MONITORING AND EVALUATION OF THE MEMO of UNDERSTANDING (MOU)
The participating agencies have clearly identified their responsibilities and the timelines. The Transition team will meet at least annually to review the effectiveness of the MOU and make any needed changes. Criteria for evaluation will include agency satisfaction, parent satisfaction and meeting the required regulations. This agreement is valid for four years from April 26, 2016-April 25, 2020.

VI. INTERAGENCY DISPUTE PROCESS
Should there be disagreement between agencies, those agencies will meet to discuss resolution. If resolution is not reached, then the Preschool Network Representative will be contacted to mediate and assist in resolution. Critical elements should be resolved in less than 14 working days. Less important elements can be resolved at a meeting.

VII. DURATION
This agreement is valid for four years from March 7, 2018-March 6, 2022.

VIII. RESPONSIBILITIES IN TRANSITION PROCESS (Sections A -J)
A. TRANSITION PLANNING

F. INITIAL COMPREHENSIVE EVALUATION FOR PART B

The LEA is responsible for obtaining written informed parental consent and conducting the evaluation within 60 days. The purpose of the initial evaluation is to determine if the child is a child with a disability, and if the child requires special education and related services to benefit from the education program.

34 CFR § 200.301 Initial evaluations.
(a) General. Each public agency must conduct a full and individual initial evaluation, in accordance with §§300.304 through 300.306, before initial provisions of special education and related services to a child with a disability under the part.
(b) Request for initial evaluation. Consistent with the consent requirements §300.300, either parent of a child or a public agency may initiate a request for an initial evaluation to determine if a child is a child with a disability.
(c) Procedures for initial evaluation. The initial evaluation--
   (1) (i) Must be conducted within 60 days of receiving parental consent for the evaluation; and
   (2) Must consist of procedures--
      (i) to determine if the child is a child with a disability under § 300.8; and
      (ii) to determine the educational needs of the child.

NMAC 6.31.2.11 A (4)
(f) Each LEA shall designate a team including parents and qualified professionals to review existing evaluation data for each child entering the LEA's preschool program in compliance with 34 CFR Sec. 300.305, and based on that review to identify what additional data, if any are needed to determine the child's eligibility for Part B services or develop an appropriate program.

The State must have in effect policies and procedures to ensure that:

(b) By the third birthday of a child described in paragraph (a) of this section, an IEP or, if consistent with § 300.323(b) and section 636(d) of the Act, and IFSP, has been developed and is being implemented for the child consistent with § 300.101(b)

§300.323 When IEP's must be in effect.

(b) IEP or IFSP for children aged three through five (1) In the case of a child with a disability aged three through five (or at the discretion of the SEA, a two year-old child with a disability who will turn age three during the school year), the IEP Team must consider an IFSP that contains the IFSP content (including the natural environments statement) described in section 636(d) of the Act and its implementation regulations (including an educational component that promotes school readiness and incorporates pre-literate, language, and numeracy skills for children with IFSPs under this section who are at least three years of age), and that is developed in
accordance with the IEP procedures under this part.

6.31.2.11 A(A) Educational Services for Children with Disabilities

(g) Each LEA shall initiate a meeting to develop an eligible child’s IFSP, IEP or IFSP, in accordance with 34 CFR Sec. 300.323, no later than 15 days prior to the first day of the school year of the LEA where the child is enrolled or no later than 15 days prior to the child’s entry into Part B preschool services if the transition process is initiated after the start of the school year, whichever is later, to ensure uninterrupted services.

<td>At the EDT meeting, if a student is determined eligible and the parent wishes to receive services, the team will move into the initial IEP meeting. This will include Part C and other agency providers with the permission of the parent as determined by the need of the student. All relevant agencies will be invited to the EDT based on previous services received with permission from the parent. All parties will be given a 10 day notice prior to the meeting by phone and written invitation.</td>
<td>HELP-NM will attend EDT and IEP meetings for children in transition from Part C and Early Head Start into Head Start. The IEP is used as a guide to individualized services in Head Start as well as correctly prioritizing an application for enrollment. Head Start will coordinate with APS/LMS to provide LRE as determined by the IEP. HELP-NM will support the placement decisions made by the parent and IEP team. HELP-NM will coordinate with Amplified Therapy to support and promote the family with the IEP goals.</td>
<td>• In the case of a child with a hearing loss, even if the loss is not the child’s primary condition, the Communications Considerations for Children with Hearing Loss IEP form MUST be completed by the IEP team to facilitate discussion around the child’s communication needs. NMSD Outreach staff members are available to IEP teams for support and consultation. • Provide current information regarding present levels of performance and relevant assessment information to be used in eligibility determination and program design.</td>
