“Truth or Consequences Early Childhood Community.”

January 30, 2019

VISION: The Truth or Consequences Early Childhood Community will provide smooth, effective and timely transitions that support children and families through community and family partnerships and ensure continuity of services to facilitate and help children achieve their potential.

The Truth or Consequences Early Childhood Community adheres to the following values:
- We value the development of advocacy skills in parents.
- We value parental involvement before, during, and after transition.
- We believe that the needs of the child and family are primary.
- We value the cultural diversity of all children and families.
- We believe that parents should be provided the opportunity to make informed choices.
- We believe that all children should be educated in the least restrictive and most inclusive environment possible.
PURPOSE: The purpose of this agreement is to establish specific, collaborative procedures and timelines that will assist the Truth or Consequences Early Childhood Community in realizing their vision.

All Members of the Truth or Consequences Early Childhood Community agree to:

1. Meet annually to review and revise (as necessary) this agreement.
2. Notify all members of professional development opportunities that impact young children.
3. Plan and conduct collaborative Child Find/screening activities for the identification of children who may qualify for services.
4. Inform families about available service options and provide referrals to appropriate community agencies.
5. Inform service providers within each agency about this Memorandum of Understanding.
6. Recognize that the determination of eligibility is a decision to be made according to the criteria of each agency.
7. Accept responsibility for informing MOU participants of their eligibility criteria and services.

II. DESCRIPTION OF THE INVOLVED AGENCIES

Primary Partners

TRANSITION PLANNING

TRANSITION PLANNING: By 24 months of age, but at least 6 months prior to the beginning of the school year in which the child turns three, the Family Service Coordinator meets with the family to identify and document the specific steps and actions that will support the child and family through the transition process. These individualized steps and actions are documented on the transition plan and are included in the IFSP.

NMAC 7.30.8.13
A. Transition planning shall begin early enough to allow the parents to exercise all their rights under state and federal statutes and regulations. Transition planning must be undertaken for each child and family at least 6 months before the child is eligible to transition from early intervention services. Transition planning shall be a process involving meeting(s) and progressive steps toward the smooth and effective transitioning of each child and family.

B. In a timely manner, the early intervention provider shall notify the local education agency of children that reside in the geographic area served by the LEA that may be eligible for preschool special education services.

C. Steps/actions shall be identified and included in the IFSP that support the child and family and ensure a smooth and effective transition With involvement of the parents, such steps/actions shall include, at a minimum:
1. Discussions with the parents regarding future program/service options to include preschool special education services and other community services that may be available and appropriate; representatives from these programs and services shall be included in these discussions to ensure an informed decision;
2. Preparing the child and family for the changes and adjustments to a new setting;
3. With parental consent and in accordance with regulation, the transmission of information, including evaluation and assessment information and copies of IFSPs to ensure continuity of services.

intervention agency will not conduct intake or an evaluation to determine FIT eligibility. The FIT program will let the family know of preschool options available in the community, e.g., preschool special education, Head Start, private preschools, etc., and will assist with a referral to the LEA with the consent of the parent(s).

If the child is referred to the FIT Program between 45 and 90 days of the child’s third birthday and, therefore, the Transition Conference cannot be held at least 90 days before the child’s third birthday, the Family Service Coordinator will discuss the process for transition with the family during the intake process and the transition plan will be incorporated into the initial IFSP.

The FIT will evaluate and if the child is determined eligible. A referral must be made to the LEA with parental consent. The Family Service Coordinator will check the box “90 day timeline for this meeting cannot be met due to the child not being enrolled in the FIT Program at that time”.

The Family Service Coordinator will consider the parent(s) needs for child care in the transition planning process.

Completion of activities relating to the planning of a child’s transition will be documented on the Transition Plan page of the child’s IFSP. Parents will be informed that they must attend the Transition Conference if found to be potentially eligible for Part B services.

- Participate in transition planning meetings and help the team and family consider placement options and adaptations that may be needed.
The family will be fully informed of the array of services and program options available under Part B including home, Head Start programs, schools or community-based settings.

The Family Service Coordinator will consider the parent(s) needs for child care in the transition planning process.

An attempt to schedule the Transition meeting within 10 working days will be made.

Completion of activities relating to the planning of a child’s transition will be documented on the Transition Plan page of the child’s IFSP.

INITIAL COMPREHENSIVE EVALUATION FOR PART B

INITIAL EVALUATION FOR PART B: The LEA is responsible for obtaining written informed parental consent and conducting the evaluation within 60 days. The purpose of the initial evaluation is to determine if the child is a child with a disability, and if the child requires special education and related services to benefit from the education program.

34CFR § 200.301 Initial evaluations. (a) General. Each public agency must conduct a full and individual initial evaluation, in accordance with §§300.304 through 300.306, before the initial provision of special education and related services to a child with a disability under this part.
(b) Request for initial evaluation. Consistent with the consent requirements in §300.300, either parent of a child or a public agency may initiate a request for an initial evaluation to determine if a child is a child with a disability.
(c) Procedures for initial evaluation. The initial evaluation—
   (1) (i) Must be conducted within 60 days of receiving parental consent for the evaluation; and
   (2) Must consist of procedures—
      (i) To determine if the child is a child with a disability under § 300.8; and
      (ii) To determine the educational needs of the child.

**ELIGIBILITY DETERMINATION AND PARENT CHOICE**

**ELIGIBILITY DETERMINATION.** Eligibility is determined after the initial evaluation procedures are completed including the careful review of existing evaluation and assessment information, observations and input from the parents.

**NMAC 6.31.2.11 (A)(4)(f)** Each LEA shall designate a team including parents and qualified professionals to review existing evaluation data for each child entering the LEA’s preschool program in compliance with 34 CFR Sec. 300.305, and based on that review to identify what additional data, if any, are needed to determine the child’s eligibility for Part B services or develop an appropriate program.

**NMAC 6.31.2.10**

F. Eligibility determinations.

  (1) General rules regarding eligibility determinations

  (a) Upon completing the administration of tests and other evaluation materials, a group of qualified professionals and the parent of the child must determine whether the child is a child with a disability, as defined in 34 CFR Sec. 300.8 and Paragraph (2) of Subsection B of 6.31.2.7 NMAC. The determination shall be made in compliance with all applicable requirements of 34 CFR Sec. 300.306.

  (b) The public agency must provide a copy of the evaluation report and the documentation of determination of eligibility to the parent.

Will participate, when available, in the EDT and/or IEP meeting.

Parent choice is no longer an option.

Once all evaluations are completed and data is collected TCMS will: schedule a date for a group of qualified professionals from the schools, the parents, and FIT Provider, as applicable, to determine whether the child meets the NM Part B eligibility requirements; review any existing data, including the IFSP, evaluations and information provided by parents or other data as allowed, as part of the process for determining eligibility for IDEA Part B. During this meeting the Eligibility Determination Team Report will be completed. TCMS will provide and explain to the parents in their native language or other mode of communication used by the parents, the Procedural Safeguards.

Documentation of eligibility will also be provided to TRESO TOTS and HELP (if family is applying to Head Start).

The Documentation of Eligibility provided by the LEA will be used to correctly prioritize the family for enrollment.

Will participate in the EDT meeting when requested.

NMSD-CECT/NMSBVI will participate, with parent permission on the IEP team to provide current information regarding present levels of performance and relevant assessment information to be used in eligibility determination and programming design.

**EVALUATION REPORT AND DOCUMENTATION OF ELIGIBILITY SENT TO PARENT**

**EVALUATION REPORT AND DOCUMENTATION OF ELIGIBILITY WILL BE SENT TO THE PARENT by the child's third birthday. With parental consent, LEAs have the option to share this information with the FIT provider. Although this is encouraged, it is not required.**

**INDIVIDUALIZED EDUCATION PROGRAM (IEP) DEVELOPED**

IEP DEVELOPED by the child’s third birthday, and at least 15 days prior to the child’s entry into Part B services.

**Federal Regulation**

§300.124 Transition of children from the Part C program to preschool programs

The State must have in effect policies and procedures to ensure that—

(a) By the third birthday of a child described in paragraph (a) of this section, and IEP or, if consistent with § 300.323(b) and section 636(d) or the Act, and IFSP, has been developed and is being implemented for the child consistent with § 300.101(b).

§300.323 When IEPs must be in effect.

(a) General. At the beginning of each school year, each public agency must have in effect, for each child with a disability within its jurisdiction, an IEP, as defined in §300.320.

(b) IEP or IFSP for children aged three through five. (1) In the case of a child with a disability aged three through five, the IEP Team must consider and IFSP that contains the IFSP content (including the natural environments statement) described in section 636(d) of the Act and its implementation regulations (including an educational component that promotes school readiness and incorporates pre-literacy, language, and numeracy skills for children with IFSPs under this section who are at least three years of age), and that is developed in accordance with the IEP procedures under this part. The IFSP may serve as the IEP of the child, if using the IFSP as the IEP is—

i. Consistent with State policy; and

ii. Agreed to by the agency and the child’s parents.
